

Tube Plugs by Powermaster Industrial Ltd

Tel: (613) 764-0572 / (613) 894-2298

sales@tubetools.ca

Above is a good example of the type of tube plugs we can provide. Plugs can be supplied from 3/8"OD up to 6.0" OD. Any odd sizes can be manufactured in our facility to your requirements. We try to match the tube material to the tube plug so when contacting us please provide the following:

Tube OD. (outside diameter)

Tube ID. (Inside Diameter)

Wall Thickness of Tube.

Material of Tube.

Maximum operating Pressure of Vessel.

Number of Plugs required.
